

# Hawaii's #1 Source for Health Video Transcript

[Olena] Hey! I'm Olena and welcome to Down to Earth.

Did you know that they're not just about food?

They also have an array of Wellness products, beauty products, and so much more.

[Music Playing]

[Olena] What's really cool are all of the products are all natural and they're also cruelty-free.

You can also find some that are organic, gluten-free and even vegan.

[Music Playing]

This really is your one stop shop for all your Wellness needs--with the most complete range of all vegetarian natural vitamins, supplements, and herbal remedies available in Hawaii.

[Music Playing]

There's a wide variety of natural living accessories including Hydroflasks in all the colors you love, locally made bags, and yoga supplies.
